Erindale Park: 1695 Dundas Street West (there is a trail connecting UTM) A great destination for active outdoor activities yearround, from fishing for salmon or trout to flying down the fast toboggan hill in the winter. Walking trails offer spectacular views of the Credit River and ravines. Mississauga's largest park is inviting to bird watchers, photographers and anyone who enjoys getting back to nature.

Jack Darling Memorial Park

1180 Lakeshore West

Right on the waterfront, It's a great place for families and individuals to spend time outdoors to explore. Take a dip in Lake Ontario or jump through the splash pad on a hot summer day. Then enjoy the park trails for an amazing scenic ambiance.

Kariya Park Japanese Gardens

3620 Kariya Dr

Kariya Park lies in the city core. You can see the iconic Civic Centre clock tower through the greenery. The rhododendrons, pines, ginkgo and sweetgum trees can all be found here.

The beautiful lavender-hued *Iris laevigata*, or rabbit-ear Iris, is the official flower of the city of Kariya, Japan—Mississauga's sister city after which the park is named.

landmarks

Civic Centre

300 City Centre Drive

The award-winning postmodern architecture of the Mississauga Civic Centre, opened in 1987, includes design elements that pay tribute to the area's agricultural past: the main building represents a farmhouse, the Council Chamber represents a grain silo, and the clock tower a windmill.

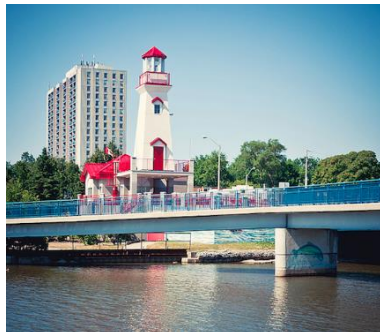

Absolute World aka the “Marilyn Monroe Towers”

60 Absolute Avenue

Meet Marilyn: one of two Absolute World Condos soaring 56 and 50 storeys high; the tallest earned its nickname due to the design's curvaceous hourglass figure. The buildings were completed in 2012. The unique 209-degree twist from the base to the top provides residents with unobstructed views of the city and beyond.

a

Port Credit Lighthouse

105 Lakeshore Road East

See a panoramic view of the Credit River, harbour, and the village of Port Credit from the deck of this iconic red and white lighthouse. Home to the Port Credit Business Association, the structure is also a true beacon to sailors—visible from up to 15 miles on Lake Ontario.
